

CESA Membership Application

To join CESA, please fill out the form below. For assistance or more information, please contact [CESA](#) at (802) 223-2554.

Please select your membership category:

Full Member

Full members are states, cities, and other sub-national entities that administer public dollars for clean energy, as well as publicly owned utilities - provided that the utility makes funding available to the public for clean energy projects, market building, or related activities.

<u>Category</u>	<u>Renewable Energy Budget</u>
<input type="checkbox"/> New Member	N/A

Dues: The first year's dues for New Members, regardless of size, are \$10,000. The base membership starts at \$10,000 (for Group Six Members) and is assessed based upon the specific size of the Member's renewable energy budget. For a specific calculation of dues for your organization, please contact Maria Blais at maria@cleanegroup.org or at (802) 223-2554 ext. 203.

Affiliate Member

Affiliates may comprise any other organization working in the realm of public clean energy programs, including but not limited to: NGOs, trade associations, universities, economic development organizations, technology transfer offices, etc. as well as cities, counties, and states that do not have a dedicated clean energy fund. Affiliate status is not open to private developers or businesses. All affiliates must be approved both by the CESA state member in which the entity is located if applicable and the CESA Board of Directors to ensure no conflicts exist with existing member interests.

Dues: Affiliate Member yearly dues are \$2,500.
