

**“Montreal Strategic Climate Change Workshop on Sub-National Strategies for  
Clean Energy Investment, Technology Deployment and Innovation”**

**October 3-5, 2005**

Château Vaudreuil Hotel  
21700 Transcanadienne  
Vaudreuil-Dorion, Quebec J7V 8P3 Canada  
Tel : 450.455.0955 Fax : 450.455.6617

in preparation for the  
11<sup>th</sup> UNFCCC Conference of the Parties (COP-11) and  
1<sup>st</sup> Meeting of the Parties (MOP-1) in Montreal

**Agenda**

Day One: Monday, October 3, 2005

---

Afternoon:  
Arrival and Check-In

~Please check signs in the hotel lobby for directions to our meeting rooms~

**2:00-2:30pm - Opening Remarks and Conference Overview**

**Welcome:** Jean Boutet, Senior Departmental Policy Advisor, Office of the Minister of the Environment, Canada and Michel Lesueur, Ministry of Natural Resources and Wildlife, Quebec

Conference Overview and Moderator: Lewis Milford, Clean Energy Group

**2:30-4:30pm -The Climate Innovation Factor**

**Technology Innovation: A Historical Perspective and Long-Term View on Innovation for  
Climate Stabilization**

Andy Hargadon, Technology Management Programs, University of California Davis

*This workshop and related writing is generously supported by the Heinrich Böll Foundation;  
Oak Foundation; Rockefeller Brothers Fund; Surdna Foundation; Embassy of the Federal  
Republic of Germany, Ottawa; British Consulate-General, Boston; and British High  
Commission, Ottawa.*

Embassy of the  
Federal Republic of Germany  
Ottawa

Ambassade de la  
République Fédérale d'Allemagne  
Ottawa

Evening – 6:00pm – 9:30pm:

Cocktail Reception in hotel Bar l'Opéra followed by Dinner in hotel's Ristorante Villa d'Este  
*The cocktail reception is generously sponsored by the Embassy of the Federal Republic of Germany in Canada.*

9:30pm – Open:

Social Entertainment and Discussions

Day Two, Tuesday, October 4, 2005:

---

7:30-8:30am: Full Canadian breakfast in Ristorante Villa d'Este

**9:00am - Plenary & Introduction**

Session Introduction & Moderator: Lewis Milford, Clean Energy Group

Special Address: “**A Technology-Based Approach to Confronting Climate Change: Thinking Beyond the Nation-State**” Ambassador Richard Benedick, Battelle/Joint Global Change Research Institute; and President, National Council for Science and the Environment

Response: Hermann Ott, Director, Berlin Office, Wuppertal Institut

10:00am – 10:15am: Coffee Break

10:15am – 12:15pm: Session I

**An Overview of Clean Energy Investment at the Sub-National Level**

**Sub-National Strategies for Development and Deployment of Innovative Technologies: Wind, Solar and Biomass/Biofuels**

*This session will comparatively address strategies, programs and mechanisms of U.S. states, Canadian Provinces and German Länder to increase development and deployment of clean energy technologies with a focus on wind, solar and bio-energy technologies. As in all following sessions, the discussion will be kicked-off by three to four impact statements and followed by an interactive discussion which aims at including a variety of experiences from participants.*

Confirmed Speakers: John Geesman, Commissioner, California Energy Commission  
Klaus Müller, Member of State Parliament and former Minister for  
Environment, Schleswig-Holstein, Germany  
Jonathan Holyoak, Head, Emerging Technologies, Department of Trade  
and Industry, UK

12:15pm – 1:30pm: Lunch Break: buffet lunch served in Ristorante Villa d’Este

1:30pm – 3:30pm: Session II

**Economic Development and Job Creation through Innovative Renewable Energy Technologies**

*This session will discuss role of renewable energy and climate technologies as well as the role of sub-national governments in economic development and job creation. It will highlight successful cases, such as Massachusetts’ Clean Energy Innovation Cluster, and the Federation of Canadian Municipalities Green Municipal Funds.*

Moderator: Allison Schumacher, Clean Energy Group

Confirmed speakers: Karl Jessen, Massachusetts Renewable Energy Trust  
Elisabeth Arnold, Federation of Canadian Municipalities

3:30pm – 3:45pm: Coffee Break

3:45 – 6:00pm: Session III

**Climate Stabilization and Long-term Clean Energy & Technology Innovation Strategies: Current Approaches & 2012 and Beyond**

*Session III will build on previous discussions to look at how regional models and experiences can be multiplied in other regions and countries. Case examples are Germany’s Renewable Energy Laws, the G8 climate change track, the Carbon Trust’s Low-Carbon Technology Investment Strategy, and Ohio’s Climate Change Roadmap.*

Moderator: Marc Berthold, Heinrich Böll Foundation

Confirmed speakers: Barbara Buchner, Fondazione Eni Enrico Mattei  
Kurt Waltzer, Ohio Environmental Council  
Daniel Argyropoulos, Federal Ministry for the Environment, Germany  
Siobhan Peters, Head of G8 and International Climate Change Policy Unit,  
DEFRA  
Peter Mallaburn, Carbon Trust

6:00pm – 7:30pm: Free Time

7:30pm: Dinner and Discussion in Ristorante Villa d’Este

Day Three, Wednesday, October 5, 2005:

---

7:30-8:30am: Full Canadian breakfast in Ristorante Villa d'Este

8:30 - 10:00am: Session IV

**Models for Climate-Technology Agreements**

*Future multilateral climate change agreements will have to include stronger technology-based approaches in order to move toward clean energy economies and climate stabilization. A number of models have been developed in Europe and the United States, which address research, development and commercialization, some on the sub-national level. These models will be explored to lead the discussion on options for future ways of cooperation.*

Moderator: Lewis Milford, Clean Energy Group

Confirmed speakers: Barbara Buchner, Fondazione Eni Enrico Mattei  
Hermann Ott, Wuppertal Institut, Berlin

10:00am – 10:15am: Coffee Break

10:15am - 12:00pm: Session IV (Continued)

**Workshop Summary & Conclusion: How Do We Get There From Here?**

Lewis Milford, Clean Energy Group

12:00pm Lunch buffet in Ristorante Villa d'Este and Departure
